#### Compared to this period last year:

**Income:** From our email blast in late March the generosity of AA members both in one time donations and new recurring donations is pulling us through the virus situation. Bookstore sales saw a big boost from a \$1500 purchase the Correxions Committee made to help our cash flow. That was very generous of them.

**Expenses (Outgo):** Bookstore purchases should be at zero except for a few freight ship out fees which are considered bookstore expence. All categories of Expences should go down, most to zero, except wages and rent.

**Overall:** In April we should spend \$3000 less than what comes in from the generous donations of the Arkansas Central Office supporters. This will make up for March.
