Narrative: In 2018 donations were up \$7403 & sales were up \$3762. Wow! Cost of goods bought was up 2817 because of more sales. Convention costs were up 785 because we paid 1171 in 2018 for the Central Office Seminar that happened in 2017. Overall Total was, Income minus Expences, 10488. This was a great year. This type of year has never happened before. Bad years will come again though. Donations will be down, expences will be up. I suggest putting 10,500 into prudent reserve so we will have it to help us through tough times when they come again.
